Website housekeeping

Some small changes have been made to the website. The most notable is the new logo, which now appears in the banner at the head of every page and provides a consistent look with **Trident** and our forthcoming publications.

The Contact Us page has been updated to reflect changes to Officials and their roles. Some of these changes were agreed at our AGM in February so apologies for the delay in the correct information appearing here.

New membership and membership renewal forms are now available which show the new membership rates. We would prefer both existing members renewing and new applicants wishing to join the GB Bus Group to renew by post. It is quick and simple - just print off the appropriate form, fill in the relevant details and send to Hazel Roberts our Membership Secretary with a cheque or postal order for the correct amount. The forms can be downloaded [here](#).
